Auditions

“Once Upon A One More Time”
Sat. December 13, 2025 @ 10A.M.
At Woodland Theatre in Kettle Falls

Fresh off Broadway, Woodland is proud to be selected to be the first theatre in Washington State to be granted the rights to this fantastic show. The story begins with a simple child's wish, “read me a story”. From that innocent beginning, Cinderella must navigate this tale of self-discovery, betrayal, growth, friendship, and love on her journey of awakening. This is a jukebox musical based on the songs popularized by Britney Spears. With such incredible production numbers as: Hit Me Baby One More Time, Circus, Womanizer, Toxic, & many more.

Pick up your audition packet at Colville Chamber of Commerce 986 S. Main St. or download & print it from woodlandproductions.org or e-mail nchristopher1@hotmail.com. (If you cannot make the audition date please contact her)

What to prepare for: If you are auditioning, you will be asked to sing from the selections attached to this for the character you are interested in, or chorus. Please review the video and know the songs before auditions! If you need to hear the song to learn it, the easiest way is to watch the video “Once Upon a Time slime tutorial” on you tube. Note about our version – we are allowed to make a few changes in the script. The relationships between characters are more G-rated than in the video. The time markers for the songs are also noted below and on the music sheets attached. A pianist will be provided. In addition, you will be asked to do cold readings in small groups from the script. All those auditioning will learn a short dance number. Please wear appropriate shoes for the dancing. Bring all known rehearsal conflicts for January-March. You may want to bring a sack lunch. We will try to be finished by 2PM. Parking available behind the theatre, follow the signs. Questions? Call Nancy 509-680-6146

CAPITAL CAMPAIGN Phase Two saw the transformation of a 1950's apartment into a backstage level with our performance space thanks to the amazing generosity of the community in both funds and volunteer efforts. The Covid pause in performances allowed us to complete the new backstage because there was nothing to interrupt and our performers had time on their hands to put into the demolition of the old and finish work on the new.

Now we are ready for the **Preservation and Enhancement of the 1940's original Woodland Theatre**, as our **Phase Three CAPITAL CAMPAIGN**. Thanks to a \$10,000 grant from the INNOVIA foundation, the bowing walls of our auditorium will be strengthened with 7 rods to replace the three cables in preparation for a new, heavier, up-to-code roof planned for 2026-2027 with help from State funds. The historic look of the theatre will be enhanced with an LED lighted tower reminiscent of the one on the original 1940's movie theatre. Eden and Jim Davidson have pledged \$10,00 toward the tower, fully half the expected cost. Investments in new LED stage lighting upgrades will begin this year for improved flexibility, increased safety and lower power bills.

Woodland needs your financial support for these projects. Please give what you can.

Major Donors \$500 - \$55,000
